CERTIFICATE OF APPRECIATION

During the last few months, Brihanmumbai Custom Brokers Association (BCBA) officials had regularly coordinated with JNCH to sensitize the various other stake holders about the various initiatives taken by Indian Customs to promote the "Ease of Doing Business".

In this regard, the World Bank is conducting a survey in the form of "on-line questionnaire" for their Doing Business Report 2018, wherein the "trading across borders" is also one of the indicator. Aim is to measure the time and cost of export and import and rank countries accordingly. The BCBA actively organized and participated in various workshops/seminars in order to sensitize various stakeholders. Further, they also coordinated with importers / exporters / shipping lines / terminal operators / CFS etc. to ascertain and validate the actual time and cost involved in export and import clearance at JNCH.

I place on record and appreciate the time and effort taken by office bearers and all the members of BCBA to assist JNCH & other stakeholders. JNCH recognizes the significant contribution made by BCBA in supporting the various initiatives taken by JNCH in the true spirit of public private partnership.
